Greetings,

Here is a link for sewing projects that was produced by Utah State University Extension.

Karen Biers the clothing/textiles USU extension specialist wrote:

Pearl,

I was looking at the FCS Educational standards and saw the link to sewing projects. You might be interested in linking to the fact sheets that Ronda, Debbie, and I have on the Extension web site. We tried to write these in great detail so that a person could READ the instructions and be able to follow them to complete a project.

The URL is <http://extension.usu.edu/htm/publications>

Then click on 4-H Sewing and Textiles.

Best wishes,
